

Breault Gets First MPT Win

Even Par 71 Good Enough On Tough Track

The Michigan Players Tour

June 7, 2020

Fenton, Michigan – On an idyllic Michigan spring day, with absolutely no humidity and a refreshing breeze out of the northwest, **Beau Breault** of Hartland played a solid, consistent round of even par **71** to clip former **EMU** teammate **Zach Sudinsky** of Ypsilanti and **2018 Michigan Open Champion Jake Kneen** of White Lake by one shot to win the **2020 Coyote Preserve Open**.

Beau Breault

Playing in his first **MPT** event, and having never seen the course before, Breault posted a 2 under par front nine, giving him a 2 shot lead over Sudinsky heading to No. 10.

Kneen, however, made a charge on the back nine, with birdies on 10 and 15 to get him to one under, and when Breault doubled the 15th, the 3 shot swing gave Kneen a one shot lead standing on the 16th tee, with Sudinsky right there a stroke behind Breault.

All three players bogeyed the par five 16th, but when Kneen bogeyed the 221 yard par three 17th, Kneen and Breault were tied, with Sudinsky one back, as they teed off on 18.

On the final hole, Kneen made par, but Breault made birdie, giving him the one shot victory.

Coyote Preserve G.C. is one of Southeast Michigan's most beautiful and challenging public courses, and is one of six courses designed by Arnold Palmer in Michigan. Over the years, CPGC has proven to be one of the most difficult courses on the MPT.

The 2020 Coyote Preserve Open
