Milford, Michigan – On another idyllic Michigan day, with temperatures in the mid 60's and zero humidity, **Logan Terry** of Fenton posted a 3 under par 69 to edge **2018 Michigan Open Champion Jake Kneen** of White Lake and **James Holley** of Howell by one shot to win the **2020 Mystic Creek Open**.

Logan Terry

Terry was scheduled to play in the **Coyote Preserve Open** last week, but his clubs were lost by the airlines on a flight home, and he was forced to withdraw.

Both Terry and Kneen posted one under on the front, but a two shot swing on the 10th gave Terry a two shot lead starting out on the back. Kneen, however, reeled off 3 straight birdies, getting him to 3 under, and with Terry's birdie on 14, the two ended up tied standing on the 15th tee.

Another two shot swing occurred on 15, with Terry making bogey, and dropping to -2, Kneen birdied, getting him to 4 under, and a two shot lead.

The final three holes decided the matter. Kneen bogeyed 16 and 17, and then failed to birdie 18, a reachable par 5 of 477 yards. Terry made par on 16 and 17, and then unleashed a massive 339 yard drive on the final hole, and made birdie, giving him the win. Holley was three shots back through 17, but eagled 18, which moved him into a tie for 2nd..

Mystic Creek G.C. is a beautiful and challenging 27 hole public course, and is located in Camp Dearborn southwest of Milford.
