

Bohannon Picks Up First Tour Win

Even Par 72 Edges Juszczyk By One

August 11, 2018

Canton, Michigan – For the players in the final group, this was all you want in a golf tournament -- an all out battle to the very end.

And with a clutch birdie on the final hole, **Jordan Bohannon** of Southfield preserved his one shot lead over **Joseph Juszczyk** of Dearborn Heights to win the **2018 Pheasant Run Open** by one shot. Bohannon posted an even par 72 for the win.

It was a beautiful day, with no rain in the forecast.....but.... with Mother Nature being who she is, pop up thunderstorms developed quickly in the afternoon, leading to an hour and a half suspension of play for lightning.

Pheasant Run G.C. is part of a large residential development in Canton Twp., and is owned and operated by the township. Designed by **Arthur Hills**, it is a beautiful course, with several holes set in wooded isolation from the community.
