

Lilleboe Last Man Standing In Shootout

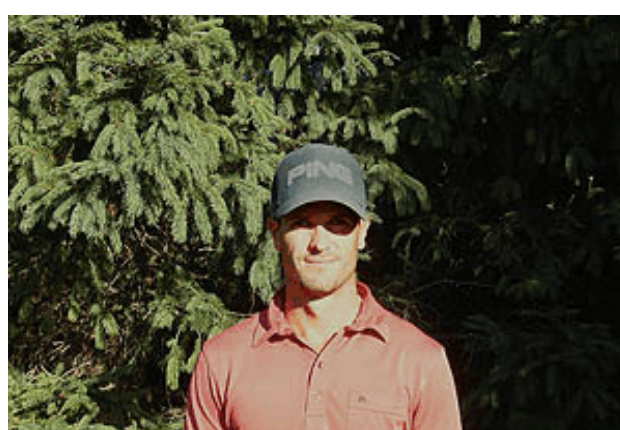

Birdies Five In A Row On Back Nine To Edge Burry

The Michigan Players Tour

July 7, 2018

Frankenmuth, Michigan – On another idyllic Michigan summer day, with absolutely no humidity and a refreshing breeze out of the northwest, **Eric Lilleboe** of Okemos strung together a stretch of 5 birdies in a row on the back nine of **The Fortress** to outlast **Zach Burry** of Appleton, Wisconsin to win the **2018 Shootout At The Fortress**.

Eric Lilleboe

Lilleboe posted a 7 under par 65 for the win on the classic and demanding layout.

This was the 4th staging of the Shootout At The Fortress, an event that has seen some of the best scoring on **Tour**. In the four events at the Fortress, the average winning score is 67.5 strokes .

Another noteworthy fact about this year's event is that the 23 players who competed in this year's Shootout was the largest turnout in the history of the **MPT**. The previous record occurred at the **Jackson Open** in 2006, the first year of the **Tour**.

The Fortress is one of Southeast Michigan's most beautiful and challenging public courses, and is noted for its perfect conditioning, and also for the demanding 13th hole, which has a narrow fairway that winds between two large ponds in the driving area..
