

Piesko Grabs First MPT Title

Shoots Three Under 69, Wins By Two

The Michigan Players Tour

July 11, 2020

Ann Arbor, Michigan – After two solid weeks of heat and humidity more commonplace in the Deep South, the weather in Michigan finally broke, leading to idyllic scoring conditions July 11th at the **Stonebridge Open** in Ann Arbor.

Taking full advantage of the delightful weather was **Doug Piesko** of Bruce Township, who posted a workmanlike round of three under par 69 to edge **2018 Michigan Open Champion Jake Kneen** of White Lake by two shots.

Doug Piesko

Piesko, who played collegiate golf at **Lake Superior State University**, has been a regular competitor in the **Michigan Open**, has been playing the mini tours in Florida, and has been competing in various **PGA Tour Monday qualifiers**, most recently to qualify for the **Rocket Mortgage Classic**,

Designed by **Arthur Hills**, **Stonebridge G.C.** is an enjoyable and challenging course located in the Stonebridge housing development southwest of Ann Arbor, and is a course demanding accurate shot placement, both off the tee and into the very small greens.
