

Kors Takes Timber Trace Title

Posts 2 Under Par 70, Wins By 3

August 25, 2018

Pinckney, Michigan – After an early morning round of thunderstorms, skies cleared out nicely a couple of hours before the start of play, and amateur **Justin Kors** of Pinckney, playing in his very first **MPT** event, overcame gusty winds and soft conditions in the wake of the storms to post a two under par 70, a score leaving him as the winner of the **2018 Timber Trace Open**.

Second place was shared by **Matt DiPaolo** of Royal Oak and **Josh Shaw** of Pinckney, who is the course superintendent at Timber Trace. Both players posted one over par 73s.

As an amateur, Kors could not accept a check for the win, but instead will receive a \$500.00 gift card. Amateurs are restricted to winning a prize voucher with a maximum value of \$750.00 per event (see the USGA Rules Of Amateur Status, Rule 3-2 (a)).

Timber Trace G.C. is a beautiful course, playing 7,020 yards from the championship tees. Designed by **Jim Dewling** and **Pat Conroy**, Timber Trace is located in rural Livingston County just west of Pinckney, which is a world away from the bustling western suburbs of the Detroit Metro area. An interesting feature at Timber Trace is the 5 minute drive through the Lake Wallaby Natural Area, which occurs between the 12th green and the 13th tee.
